## New Patient FREE Teeth Whitening Special\*

Please mention this website special when you call to make your first New Patient Appointment. Print this page and bring it with you on your first appointment.

You must complete a Comprehensive Exam, a Full Mouth X-ray and a prescribed teeth cleaning in our office. Teeth Whitening cannot be done if active problems exist, such as, but not limited to, cavities, broken tooth/filling, gum disease and/or abscess. Please ask for details.

**\*Offer available while the supplies last.**
