

*"At FSC, you're treated like family!"*

## **About Our Dental Warranties...**

Our doctors and hygienist here at Family Smile Center are very confident of the durability of our treatment provided for you. In order for you to keep your dental health optimum after receiving dental care from our office we ask that you follow these three key points:

1. Spending a few minutes a day on your home care: brushing, flossing, using Fluoride rinse, and using the prescribed product that is customized for your optimal dental health, such as Rotadent powered brush.
2. Wearing a NIGHTGUARD, if it was recommended for you due to your clenching and grinding habits.
3. Keeping regular professional examinations, cleanings, X-rays and Fluoride treatments (2, 3, 4, & 6 month intervals, depending on your condition.).

**FAILURE TO KEEP ANY OF THE ABOVE POINTS VOIDS ALL WARRANTIES.  
THESE WARRANTIES DO NOT APPLY TO WARRANTY WORK.**

With that in mind we offer the following limited dental warranties:

**DENTAL SEALANTS:** We will repair or replace sealants for a period of **3 years** after placement at no cost.

**ROOT CANALS:** Root canal treatment is about 90% successful. They do occasionally fail. If you lose your tooth within **3 years** due to failure of the root canal, we will refund half of the root canal fee, or apply it as a credit towards a replacement tooth.

**COMPOSITES (tooth colored fillings):** We will repair or replace composite fillings for a period of **3 years**. If the tooth breaks and requires a crown or only, we will credit the cost of the filling towards the crown or onlay.

**DENTAL IMPLANTS:** If the implant fails to integrate we will replace it up to 1 year.

**PFM (porcelain-fused-to-metal) AND ALL METAL INLAYS, ONLAYS, CROWNS AND BRIDGES:** These are warrantied for a period of **3 years**.

**ALL CERAMIC AND RESIN INLAYS, ONLAYS, CROWNS AND BRIDGES:** These carry a **1 year** warranty. The above two lined restorations are not covered if Root Canal Treatment needs to be done through it after placement.

**DENTURES /PARTIAL DENTURES:** These carry a **3 year** warranty. This warranty does not cover accidents such as dropping your denture. Full upper and lower denture patients must be seen once every 18 months for check up. Patients with some of their natural teeth must be seen at the prescribed recall appointment.

*I have read and understood above statements regarding the warranties offered at Family Smile Center.*
